CosmiKids now in India

The Los Angelesbased pre-school and child enrichment center concept is opening its first international location in Santacruz (West)

COSMIKIDS, the revolutionary Los Angeles- based pre- school and child enrichment center concept is celebrating the opening of its first international location in Santacruz (West) on May 19 between 11.30 am to 6.30 pm.

The free roster of events kicks off with parents and children meditation for peace.

Led by Judy Julin, visiting CosmiKids founder, child enrichment specialist, celebrated author and engaging media personality, , the meditation marks the grand opening of the pre- school.

Following the meditation will be the pre- schools unique yoga programme, Angel Bear Yoga.

The yoga programme is designed for children within the age group of three to nine and is aimed at assisting kids with character development, appreciation of nature, storytelling and simple poses.

Bela Kotwani, CEO of the local CosmiKids center, says, “ I feel sure that Mumbai families understand that tomorrows world is likely to require more from our children in terms of collaboration, creativity and mutual respect, and more of us as parents. CosmiKids is here to address those things in new ways that are fun and engaging.”
